TRANSPORT AND SCHOOL TIMINGS

Dear Parents/Carers,

If you transport your own child

In order to continue to ensure your child has the best possible learning opportunities, time keeping of when your child arrives and leaves school needs to be:

- Arrival 8:45am
- Collection at 2:45pm for Stepping Stones, Learning for Life, Quest and Vision classes
- Collection at 3:00pm for Towards Independence, Momentum, Horizon and Fusion classes

We will contact parents individually if we have concerns regarding attendance and lateness/early pickups following this advice.

Please avoid parking on the grass verge opposite the gates, as you may get fined. If you need a parking permit, please contact Reception.

If your child has local authority transport

Transport should arrive in school at 8:45am.

Buses will load at 2:45pm or 3:00pm, dependent on the route.

Contact details for transport is:
